

Attention Braggers!

Are you in a BRAG group and sometimes need to miss a meeting? The BRAG community has a substitute list for members who cannot attend a meeting. Substitutes are ALLOWED and ENCOURAGED! A substitute can be an individual you feel can adequately and professionally represent your business. It is highly suggested that your sub be employed by your company or at a minimum in the same field. While your sub cannot be a member of your BRAG group, they can be a member of another group. They may present your referral request and may present one for their own company at the discretion of the group's leadership. Substitutes must be registered with the group leaders and the Chamber office. If you're interested in being a sub, please contact the BRAG administrator, Patty LeDuc, 586.731.5400 ext. 21 or pleduc@shrcci.com
